

**THE AMERICAN SCHOOL
OF TAMPICO**

Course Number: 064

Course Title: MakerSpace

Classroom: LB6

Teacher: Ms. Ma. Elena Montes
mechavez@ats.edu.mx

Grade Level: 10th - 12th (Elective)

Credits: 0.5 Credits

Course Description:

This course focuses on hands-on, project-based learning that emphasizes creativity, innovation, and problem-solving skills. Students are given access to various tools, equipment, and materials to design and build their own projects, using technology such as 3D printers, Arduino, and programming software.

The course may cover topics such as product design, electronics and coding with an emphasis on collaboration and real-world applications.

Materials:

Each student is required to bring earphones.

Grading Criteria

Quarter Grading

Formative 40%

Summative 60%

Pass or Fail:

Students will pass or fail a class based on their final grade. Students will have passed a class according to SEP policy if they achieve a grade of 59.5% or above in a given subject.

Classroom Rules & Procedures:

1. The teacher reserves the right to choose your seat for the benefit of the group.
2. You must be seated and ready to start ON TIME as the second entrance bell rings.
You have a 5 minute tolerance for coming to class considering it as TARDY.

3. The number of absences permitted for each semester before credit is lost is listed below:
 - ☐ *7 total absences*
 - ☐ *3 tardies = one unexcused absence*
 - ☐ *More than 10 minutes late to class without authorization equals an absence*
4. You are expected to complete work within the time established by each assignment. Late work delivered 1 day later will be graded over 70%.
5. If you are absent it is your responsibility to check work in GOOGLE CLASSROOM in order to complete your assignments,
6. You will be allowed to leave the classroom ONLY teacher's permission.
7. Eating, drinking, or chewing gum in class is not permitted at any time.
8. Cheating and plagiarism will result in ZERO for the assignment in question. The teacher is the final arbiter in deciding whether cheating has occurred.
9. The use of cellular phones and other electronic devices interferes with the delivery of the class; their use is restrained while in class. Failure to follow this policy will cause the device to be confiscated at teacher's discretion.
10. You have the right to receive instruction in the best possible atmosphere. Any behavior that interferes with this is inappropriate.

Course Content

Unit 1 - Intro to Arduino

Unit 2 - Arduino Projects

Unit 3 - Intro to 3d Design

Unit 4 - Fusion 360

Unit 5 - Blender

Unit 6 - Intro to Java

Unit 7 - Tetris Practice in Java

Unit 8 - Intro to 3d design
